#### Notice of 2003 SWG Grant Opportunities

Application materials for the State Wildlife Conservation Grants (SWG) are now available from the Kansas Department of Wildlife and Parks. The SWG is a federal grant program that is funded in part by CFDA 15.625 Fish and Wildlife Service, Department of the Interior, and administered by the Kansas Department of Wildlife and Parks. The priority of this program is to fund projects that benefit nongame fish and wildlife. Federal regulations require that projects benefit "species of greatest conservation need." This may include listed federal and state endangered and threatened species. The KDWP will distribute a portion of these funds to other organizations through competitive subgrants. Eligible applicants are local governments and nonprofit corporations.

State Wildlife Grants may be used to finance either planning or implementation grants. Planning grants require that 25 percent of the project costs be matched with nonfederal funds, while implementation grants must have a match of 50 percent. In-kind and cash match may be used for this program. A total of \$824,000 is available for grants.

The deadline for applications is May 21. For more information concerning this program or to request application materials, contact the Office of Federal Aid, Kansas Department of Wildlife and Parks, 1020 S. Kansas Ave., Room 200, Topeka, 66612, (785) 296-1618. Persons with special communication needs may utilize the Kansas Relay Center, 1-800-766-3777.

#### **Governmental Ethics Commission**

#### Opinion No. 2003-03

Written February 20, 2003, to Chris R. Davis, Topeka.

This opinion is in response to your letter of January 29, 2003, in which you request an advisory opinion from the Kansas Governmental Ethics Commission concerning the application of the governmental ethics laws (K.S.A. 46-215 et seq.). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 et seq., and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

#### **Factual Statement**

We understand that you request this opinion in your capacity as a Juvenile Corrections Officer I at the Topeka Juvenile Correctional Facility (TJCF). You have advised us that your sister-in-law also works at TJCF on the same shift as you, although she is a Juvenile Corrections Officer III and holds the position of shift manager. You have explained that she is sometimes required to supervise your work, although she does not have anything to do with determining your salary or with evaluating your performance.

#### Question

Is it a violation of K.S.A. 46-246a for a state employee to supervise her brother-in-law?

#### **Opinion**

K.S.A. 46-246a states in pertinent part:

- (a) From and after the effective date of this act, no state officer or employee shall advocate or cause the employment, appointment, promotion, transfer or advancement to any office or position of the state, of a member of such officer's or employee's household or a family member.
- (b) No state officer or employee shall participate in an action relating to the employment or discipline of a member of the officer's or employee's household or a family member.

K.A.R. 19-40-4(b)(1)(G) defines a family member as, among other things, a "parent, child or sibling related by marriage as denoted by the suffix of 'in-law.'" Therefore, your sister-in-law is a family member within the meaning of the statute.

The Commission has on several previous occasions held that K.S.A. 46-246a does not preclude a state employee from being in a position to exercise authority over a family member. Rather, the section prohibits the exercise of discretion in the areas of appointment, promotion, transfer, advancement and discipline. See Commission Opinions 1993-37 & 1999-09. So long as the supervising employee does not participate in any degree in those situations, there will be no violation of the statute. The Commission notes that we make no determination as to whether supervision by your sister-in-law violates or conforms with TJCF policies or procedures.

#### **Opinion No. 2003-04**

Written February 20, 2003, to Daniel L. Huntley, Dighton.

This opinion is in response to your letter of February 12, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local conflict of interest law (K.S.A. 75-4301 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 *et seq.* Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

#### **Factual Statement**

We understand that you are requesting this opinion in your capacity as a Deputy with the Lane County Sheriff's Office and as a candidate for the Dighton City Council. You have explained that the Dighton City Council currently contracts with the Lane County Sheriff's Office for law enforcement services.

#### Question

May a County Deputy Sheriff also hold the position of City Council member without violating the local level conflict of interest laws?

#### Opinion

In your capacity as both a County Deputy Sheriff and as a City Council member, you are governed by the local level conflict of interest laws found in K.S.A. 75-4301 *et seq.* There is nothing in this body of law which prohibits

an individual from holding dual positions within a local governmental entity. K.S.A. 75-4304, however, prohibits a local official from participating in his capacity as a local official in the making of contracts in which that official has a substantial interest. It states in pertinent part:

- (a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business by which the officer or employee is employed or in whose business the officer or employee has a substantial interest.
- (c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.

The absolute abstention requirement of K.S.A. 75-4304 is triggered only in situations where the local governmental officer, in his capacity as a governmental officer, makes or participates in the making of a contract with a person or business by which the officer is employed or in whose business the officer has a substantial interest. K.S.A. 75-4301a(b) defines a "business" as "any corporation, association, partnership, proprietorship, trust, joint venture, and every other business interest, including ownership or use of land for income." This definition does not include a "governmental agency unit" or "governmental subdivision" and the term "person" is not defined in the local conflict laws. Thus, this Commission has consistently held that under the local level conflict of interest laws a "substantial interest" cannot be held in units of government.

Because you do not have a substantial interest in either the City Council or the County Sheriff's Office because they are both governmental entities, the prohibitions in K.S.A. 75-4304 do not apply. Therefore, there are no statutory restrictions which prohibit you from participating in or voting on contractual or non-contractual issues between the City and the County Sheriff's Office.

#### **Opinion No. 2003-05**

Written February 20, 2003, to Richard A. Olmstead, Husch & Eppenberger, LLC, Wichita.

This opinion is in response to your letter of February 11, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the Campaign Finance Act (K.S.A. 25-4142 et seq.). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 25-4142 et seq. Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

#### **Factual Statement**

We understand that you request this opinion on behalf of former state legislator Carlos Mayans who is currently a candidate for Mayor of Wichita. You have explained that on August 15, 2002, with the intent of starting a bona fide successor campaign, Mr. Mayans transferred \$50,000 from his Legislative campaign fund (Legislative Fund) to his Mayoral campaign fund (Mayoral Fund). This left his Legislative Fund with a balance of approximately

\$22,000. Mr. Mayans then made expenditures out of the Legislative Fund for legislative expenses in the amount of \$3,410.19 and attorney fees in the amount of \$11,751.99 related to questions surrounding his ability to use campaign funds from his Legislative Fund in his Mayoral campaign. On December 31, 2002, Mr. Mayans closed the Legislative Fund and transferred the remaining balance of \$6,060.51 to his Mayoral Fund.

After contacting the Commission, Mr. Mayans learned that for his Mayoral Fund to be treated as a bona fide successor candidacy pursuant to K.A.R. 19-22-1, he should have transferred the entire balance and closed his Legislative Fund on August 15, 2002. To cure this mistake, Mr. Mayans reimbursed the Mayoral Fund with his own personal funds in the amount of \$3,410.19. He did not reimburse the Mayoral Fund for the \$11,751.99 in professional services rendered, because, after consulting with the Commission's staff, he believed this expense was a legitimate campaign expenditure for his mayoral campaign. As a result of these actions, Mr. Mayans believes that since August 15, 2002 all funds in his Legislative Fund have been either transferred to or used for the funding of his mayoral campaign which would then constitute a bona fide successor campaign.

#### Questions

- 1. Does the Kansas Campaign Finance Act prohibit a former State legislator from transferring funds from his Legislative campaign fund to his Mayoral campaign fund?
- 2. Based on the facts stated above, is Mr. Mayans' Mayoral campaign a "bona fide successor committee or candidacy" as contemplated by the Commission in K.A.R. 19-22-1?
- 3. Does the transfer of funds by a candidate from one candidacy to a bona fide successor candidacy constitute a "contribution" for purposes of K.S.A. 25-4143(e)(1) and K.S.A. 25-4157a(c)?

#### **Opinion**

Several statutes and regulations must be addressed in order to completely answer your questions. K.S.A. 25-4143(e) provides the definition of a contribution. It states in pertinent part:

- (1) "Contribution" means:
- (C) a transfer of funds between any two or more candidate committees, party committees or political committees;

#### K.S.A. 25-4157a(c) provides:

No candidate or candidate committee shall accept from any other candidate or candidate committee for any candidate for local, state or national office, any moneys received by such candidate or candidate committee as a campaign contribution.

#### K.A.R. 19-22-1 states in pertinent part:

... the carryover of funds or inventory by a candidate . . . from one election period to another or the transfer thereof to a bona fide successor . . . candidacy does not constitute a contribution.

When a candidate for one office chooses to run for a different or additional office, he may do one of two things with his campaign funds:

- 1. Pursuant to K.A.R. 19-22-1, he may "carryover" the remaining balance of campaign funds from the first campaign account into a new campaign account for the second office sought. If the transfer is performed in this manner, the second office sought is considered a "successor candidacy."
- 2. Or, he may choose to retain the first campaign account (to be used for the expenses of holding the first public office and legitimate campaign purposes related to a campaign for the first office and eventually, if the candidate chooses to close that account, distribute the funds pursuant to K.S.A. 25- 4157a (d)) and also open a new campaign account for the second office sought with campaign funds solicited specifically for that second office. Pursuant to K.S.A. 25-4157a (d), however, if he chooses to retain the first account, he may not transfer any of the money from his first campaign fund to his second campaign fund because they are considered separate candidacies.

Therefore, with respect to your first question, so long as a candidate carries over the remaining balance of his first campaign fund to a bona fide successor campaign, the Campaign Finance Act does not prohibit the transfer. If, however, the candidate chooses to retain the first account, K.S.A. 25-4157a (d) prohibits the transfer of campaign funds between the two accounts.

With respect to your second question, although Mr. Mayans erred in not transferring all of his Legislative Fund at the time he originally opened the Mayoral Fund, he has corrected this mistake by reimbursing his Mayoral Fund for the Legislative expenditures. Because Mr. Mayans intended his mayoral campaign to be a successor campaign to his legislative campaign, and because all of the remaining money in the Legislative Fund was either transferred to or used for expenses related to the Mayoral campaign, the Commission considers the Mayoral campaign to be a bona fide successor candidacy.

With respect to your third question, K.A.R. 19-22-1 specifically provides that the "carryover of funds or inventory by a candidate . . . or the transfer thereof to a bona fide successor . . . candidacy does not constitute a contribution." This regulation has been in effect since 1975 and the Commission has been issuing opinions to this effect since 1976. See e.g. Commission Opinions 1976-03, 1997-03, 1997-16, 2002-09, 2002-20. It should be noted that the Legislature is well aware of the Commission's interpretation, as each election year the Commission's staff provides literature and other information to members of the Legislature which indicates that they may carryover their campaign funds from one campaign to another. Therefore, pursuant to K.A.R. 19-22-1, the carryover of funds from one campaign to a bona fide successor campaign is not a contribution, and does not violate the Campaign Finance Act.

(c) apply for, receive, and participate in any grants from the state of Kansas or from the United States of America;

(d) construct, straighten, deepen, and improve any canal, channel, river, stream, or other watercourse or way which may be necessary or

proper in the development of the facilities of such port;

(e) purchase, acquire, own, maintain, furnish, improve, repair, enlarge, remodel, construct, reconstruct, equip, hold, sell, lease, or operate real or personal property for the authorized purposes of the port authority, which exercise of such authority is hereby declared to be for a public purpose:

# Order a custom-made loose-leaf binder for the Kansas Register!

Custom-made binders are available to attractively hold up to a year's worth of your copies of the Kansas Register for permanent use. The high quality, durable casebound swinge-hinge binders are manufactured by ABZ Binder. (A swinge-hinge binder has more capacity and allows for easier interfiling than standard ring binders.) The three-inch binder features dark blue supported vinyl covering and gold imprinting, with a label holder on the spine.
